2002 STEP 3 APPLICATION INSTRUCTIONS

The Federation of State Medical Boards of the United States, Inc. (FSMB)

PO Box 619850, Dallas, TX 75261-9850

Telephone: 817-868-4041 Fax: 817-868-4098

Web Site Address: <http://www.fsmb.org>

Use this application if you will take Step 3 between November 2001 and December 31, 2002.

APPLICATION MATERIALS

The application materials consist of the 2002 USMLE Step 3 Application Form and Instructions, and the Medical Licensing Authority Instruction Sheet(s). The 2002 USMLE CD containing an interactive tutorial, sample test questions and case simulations will be mailed to you upon receipt of your application. Important informational documents such as the *2002 USMLE Bulletin of Information* and *Step 3 Content Description and Sample Test Materials* are available at the Federation website—www.fsmb.org. **You should read carefully all application materials and the informational documents from the website before applying.**

Application must be made on the current, official form and a new application submitted each time you apply for Step 3. Information regarding USMLE eligibility requirements, examination content, testing conditions, scoring and score reporting appears in the *2002 USMLE Bulletin* located on the USMLE and Federation websites.

COMPLETING YOUR APPLICATION

Applications are processed by date of receipt at the Federation. Allow approximately 2 to 4 weeks for processing once the Federation receives your application. If your application will be sent to a medical licensing authority for pre-registration prior to forwarding to the FSMB, you are advised to consult the board for their current application processing time and add this to the FSMB's 2-4 week processing time. Provide a U.S. address on your application, if possible. Providing an address outside of the U.S. will significantly delay receipt of your Scheduling Permit. *NOTE: The name on your unexpired, government-issued photo identification that you are required to present at the test center must match exactly the name on your Step 3 application, which will be printed on your Scheduling Permit. Otherwise, you will not be allowed to sit for the exam.*

Follow the instructions provided on your application. Your signature on the USMLE application authorizes the release of previous examination history to the medical licensing authority to which you are applying to take Step 3. In addition, you may be required to request a transcript of scores to be sent to the medical licensing authority and be responsible for any related fees.

You must provide your application along with all required documents and fees as specified in the Medical Licensing Authority Instructions. All materials must be received at the Federation by September 2, 2002. Any registration still incomplete after September 2, 2002 will be cancelled. Although the Federation will attempt to notify you of incomplete documents, it is your responsibility to assure your application is complete. *NOTE: Providing a current email address on your application greatly assists communication to examinees.*

STEP 3 ELIGIBILITY REQUIREMENTS

Consult the *2002 USMLE Bulletin* (page 3) for the core USMLE requirements to sit Step 3. Some states impose additional requirements beyond these core criteria. Any state-specific eligibility requirements are listed in the individual Medical Licensing Authority Instructions on the Federation website at www.fsmb.org. If it is determined that you do not meet eligibility requirements at the time your application is received, your registration will be cancelled.

FEE

For specific fee information, see the Medical Licensing Authority instructions on the FSMB website. Enter the amount enclosed in Item 2. Make a check or money order payable to the FSMB in U.S. currency. Record your name, USMLE Identification Number and U.S. Social Security Number or National Identification Number on your check or money order. The USMLE Step 3 fee is nonrefundable and nontransferable from one eligibility period to another or from one application to another.

NAME OR ADDRESS CHANGES

Name and/or address changes require a written request with your signature. Send a signed letter to the Federation's mailing address; mark the envelope Attn: Name/Address Change or you may fax your written request with signature to 817-868-4098. Documentation of the name change should be included. If necessary, an addendum to your Scheduling Permit containing your new name will be sent to you. You must bring both your addendum and Scheduling Permit for entrance to the test center. *NOTE: The name on your unexpired, government-issued photo identification that you are required to present at the test center must match exactly the new name on your addendum.*

RECEIPT OF YOUR SCHEDULING PERMIT

Once your application is registered and eligibility status approved, a scheduling permit will be mailed to you at the address provided on your application. The Scheduling Permit includes your assigned eligibility period of approximately 90 days (90 days plus two additional weeks for processing and mail time), which begins immediately upon approval. The Permit contains other pertinent information and instructions as well. See pages 13-15 of the 2002 *USMLE Bulletin*.

If you do not receive your Permit or your name on the Permit does not match exactly to the name on your unexpired, government-issued photo identification that you are required to present at the test center, it is your responsibility to immediately contact FSMB at 817-868-4041 or usmle@fsmb.org. You will not be allowed to test without presenting your Scheduling Permit to the test proctors on each day of the examination.

REPLACING YOUR PERMIT

Loss of your Permit may require you to cancel your current test date and reschedule your appointment when you receive your replacement Permit. You may also incur a rescheduling fee. If there is insufficient time remaining in your eligibility period to reschedule, you risk forfeiting your fee.

If your Scheduling Permit is misplaced or destroyed, contact the Federation at 817/868-4041 to obtain a duplicate permit. You may request for a duplicate permit to go via first-class mail, express, or overnight carrier. The latter two methods require that you have either a Federal Express account or an acceptable credit card.

SCHEDULING YOUR EXAMINATION

Prometric schedules test dates on a first-come, first-served basis. **You are urged to schedule your appointment and test early in your eligibility period.** This will provide the greatest flexibility in the event you must reschedule your appointment. Consult the *USMLE Bulletin* (pages 13-14) for more detailed information on scheduling with Prometric.

ELIGIBILITY EXTENSIONS

Under most circumstances, a one-time 90-day extension of your eligibility period is possible. The Federation must re-verify your eligibility for Step 3 prior to providing the extension. For further details, including the fee for this service, consult the Federation website at www.fsmb.org.

REQUEST FOR TEST ACCOMMODATIONS

If you have a documented disability covered under the Americans with Disabilities Act (ADA) and require test accommodations, you must **submit a written request** each time you apply for Step 3 **and check Item 14 on your Step 3 application** to indicate that you are submitting a request for accommodations with supporting documentation.

For complete information on procedures and documentation, consult the *USMLE Request for Test Accommodations for Examinees with Disabilities*, available on the Federation website or through the FSMB Coordinator for Examination Services at 817-868-4041. If you have questions or inquiries regarding test accommodations you may email to exam@fsmb.org.

At the same time you send your Step 3 application to the entity processing the application (FSMB or the medical licensing authority), you must send your official request for accommodations and supporting documentation to:

Federation of State Medical Boards, Attn: Coordinator for Examination Services, 400 Fuller Wisser Road, Suite 300
Eules, TX 76039-3855

Your Step 3 application will remain incomplete until your official request and supporting documents are received and processed. To protect your confidentiality and to expedite the review process, **do not include your test accommodation request or documentation with your Step 3 application materials.** Note: You may not request test accommodations if your Step 3 application has already been processed and approved for registration.

Initial Request for Accommodations: If you have not received test accommodations for a previous USMLE Step, refer to the *Request for Test Accommodations* for information on how to provide complete documentation. Download and complete the **Questionnaire** form from the Federation website and provide supporting documentation. The completed questionnaire constitutes your official request.

Request for Subsequent Test Accommodations: If you received test accommodations for a previous USMLE Step, and would like the identical accommodations, print the **Step 3 Update** form for *Requesting Subsequent Test Accommodations* from the Federation website, or call the Coordinator for Examination Services at 817-868-4041. Complete the form and send it to the above address **at the same time** you send your Step 3 application. This form constitutes your official request. If you are requesting a change in accommodations, follow the instructions for initial requests above.
