<b>Fund Year – AFPVZFYR_FYR (Function FDUY)</b>							
<b>Loc</b>	Location	LOCATION	AN	02	Populated	✓	Always populates with <b>2</b> which is the UCOP location for UCSF
<b>Fund</b>	Fund Number	FUND_NO	AN	06	Populated	✓	Fund number (00000-99999, A0000-Z9999) ; lead character is alpha for Foundation funds only.
<b>FYR</b>	Fund Year	FUND_YR	AN	02	R	✓	Numbered year corresponding to the year of the award on the letter of award or contract. Fund Year allows the tracking of expenditures and revenue by the period spent.  Every sponsored project has at least one fund year ( <b>01</b> ). For multi-year funded projects, <b>Fund Year</b> indicates each year in the project ( <b>01-99</b> ). This is a 2-digit field and single-digit fund years should be entered as "01," "02," et cetera.
<b>Begin Date</b>	Fund Year Begin Date	FYR_BEGIN_DATE	Date	10	Default is <b>01/01/0001</b>	✓	Starting date for the individual fund year.
<b>End Date</b>	Fund Year End Date	FYR_END_DATE	Date	10	Default is <b>12/31/9999</b>	✓	End date for the individual fund year. For sponsored projects that are less than one year or that are in the last year of funding, the end date of the fund year is the same as the overall <b>End Date</b> .
<b>Federal Transaction No</b>	Federal Transaction Number	FYR_FED_TRANS_NO	AN	14	O	✓	Number unique to Federal Fund Awards. It is the document number assigned by the government to track cumulative disbursements under each award in the Payment Management System (PMS). It is used to track, monitor and report on the award in FSRs, Letters of Credit, etc.  For multi-year grants with competitive project periods, the transaction number usually changes by the alpha suffix. For contracts, regardless of the period of performance, there is generally only one transaction number assigned.

<b>Per Id</b>	Period Identifier	FYR_PERIOD_ID	AN	01	Default is <b>A</b>	✓	<p>Period Identifier is a single alpha character that indicates the project period of the grant or contract. In the case of most federal funding, the Period ID differentiates competitive funding periods of multiple years.</p> <p>For example, if a grant is awarded during its first competitive cycle with five years of funding, then the Period ID associated with those first five years is "A." If the grant is competitively funded for a second five-year period, then the Period ID associated with Fund Years 06 through 10 is "B."</p>
<b>Authorization Amount</b>	Authorization Amount	FYR_AUTH_AMT	N	11.2	Default is <b>00</b>		Currently this field is not used.
<b>DD St</b>	Draw Down Status	FYR_DRAW_DOWN	AN	01	O	✓	<p>Code set by the Payment Management Service (PMS) of NIH. It describes the cash management status of the fund year of the grant. It is used by Extramural Funds for cash management and collection purposes.</p> <p><b>A</b> - Active awards listed on PMS 272-A  <b>B</b> - Closed/expired awards listed on PMS 272-B.  Changes cannot be made without the agency's approval.  <b>G</b> - Inactive awards listed on PMS 272-G.  Corrections can be made on "G" awards.  <b>Z</b> - Awards deleted from all PMS reports, but remain on UCSF ledgers</p>
<b>Stop Cd</b>	Fund Year Stop Code	FYR_STOP_CD	AN	01	Default is <b>N</b>	✓	<p><b>Stop Code</b> is not initialized on setup.</p> <p>When the Fund Year is "closed" and transactions should not be posted to the Fund, change to <b>Y</b> (Yes) and update <b>Stop Date</b>.</p>
<b>Stop Date</b>	Fund Year Stop Date	FYR_STOP_DATE	Date	10	Default is <b>01/01/0001</b>	✓	<p><b>Stop Date</b> is not initialized on setup.</p> <p>When STOP is activated, enter date (mm/yy/dd) the Fund Year becomes inactive. A future date is not allowed. A STOP should be activated only if the Fund Year is reconciled &amp; closed out.</p>
