

Welcome to our new DOM faculty members! There are 103 new faculty, with 66 going to a UCSF Health, 17 to ZSFG, and 20 to the VA. Our new faculty are a vital source of energy and innovation, and we are confident that they will take UCSF and our department to even greater heights. See the list of new faculty and orientation dates below.

To all new faculty members:

We hope you will be able to attend our DOM Welcome Breakfast & Orientation for New Faculty Members, the orientation is focused primarily on our department—some basics on who we are (number and type of faculty, reputation/honors/activities, leadership structure, etc.), our mission and vision as a department, our current departmental projects, and what faculty need to know to be successful within DOM (key golden rules of our department, the role of the Division Manager). This orientation provides an opportunity for you to meet other new DOM faculty, have an audience with DOM leadership and hear from a panel of recently promoted associate professors on their top tips for thriving at UCSF. For your convenience, the orientations will be held at different times at two of our sites; you only need to attend one.

Please RSVP to the DOM New Faculty Orientation through the Qualtrics links in the e-mail sent to you from Jackie Gorcyca (Jackie.Gorcyca@ucsf.edu) as soon as possible. We look forward to meeting you in person this summer and fall, and are committed to doing everything we can to help you build a fulfilling and successful career.
